

IS IT TIME YOU TOOK THE THROGMORTON CHALLENGE?

We think there are two very good reasons why you should.

- ✓ Our experience and independent research makes us very confident that we really **can** improve your financial position.
- ✓ You have absolutely nothing to lose, but you could gain a great deal. This meeting could be the best investment you ever make.

We reckon that for every ten clients we talk to, six ask us to help them manage their finances. The others get the peace of mind of knowing they're already on the right track.

Please see overleaf for details.

An initial meeting with one of our consultants places you under no obligation whatsoever and should give you an excellent idea of how we can help. At that point you can decide if you want to take things further.

We advise clients, from all walks of life, on their financial affairs. Whatever your situation, we are confident that we will be able to improve your position. By putting us to the test you have absolutely nothing to lose and possibly a great deal to gain!
